**Sunday, September 24<sup>th</sup> 2017**

**Depot Park, Gainesville, FL**

Gainesville, at its core, is a small town. We take care of each other, and we pride ourselves on making Gainesville a happy, healthy place to live. That's why three local startups, Revnet, Wildcard Audio, and Preview have teamed together to create the Gainesville Games, an annual fundraiser to benefit an organization make sure the next generation is better off than the last. This year, we're proud to be working with the March of Dimes and their mission to end birth defects, premature birth and infant mortality. For almost 80 years, the March of Dimes has worked tirelessly to give every baby a fighting chance, and we can't think of a worthier cause.

***Join us on September 24th to help give the next generation a better tomorrow.***
